AMP Capital appoints new PM to Multi Asset Group

AMP Capital has appointed Gary Burke to the new role of Senior Portfolio Manager in the Multi Asset Group (MAG).

Mr Burke will take on portfolio management responsibility for a number of AMP Capital's diversified funds.

Mr Burke has over 25 years' experience in funds management, and brings significant investment and portfolio construction skills to his new role.

He has held several senior investment roles including Chief Investment Officer at Zurich Scudder Investment Management, Investment Director at Deutsche Funds Management and Head of Portfolio Management at Rothschild Australia Asset Management.

From 2005 to 2011, Mr Burke was Head of Investment Management for Australia and New Zealand at Mercer, where he focused on developing its multi-manager investment business and establishing an implemented consulting capability.

AMP Capital Investment Director, Multi-Manager and Investment Solutions Sean Henaghan said: "We continue to boost resources in the Multi Asset Group in support of our diversified fund range, which we are continuing to expand with the recent launch of the Multi Asset Fund.

"Gary's extensive experience in funds management, and in particular his strong portfolio construction skills, will add significantly to AMP Capital's Multi Asset Group capability," Mr Henaghan said.

Mr Burke joined the firm on Monday 30 January 2012 and will report to AMP Capital Head of Portfolio Management Debbie Alliston.
